

St. Croix Education Association
Recognized Educator Form

WE BELIEVE:

**Educators share their time, energy, knowledge, and most of all, themselves.
Educators share enthusiasm, who impart to us the joy and love of learning.
Educators spark the fire of our imaginations and kindle our dreams.**

We have OUTSTANDING EDUCATORS in the St. Croix Education Association who are positively influencing young minds. Please take a moment to show a colleague that you appreciate the wonderful job they do each and every day for the students in our Stillwater Area Community. Please nominate them for this year's ST. CROIX EDUCATION ASSOCIATION EDUCATOR RECOGNITION. It is important for our educators to know other educators, principals, parents and students support them.

Last year, we were excited to honor the following SCEA Recognized Educators: Julie Belfanz, Helen Brennan, Shada Campbell, Andy Olson, Rhonda Ruffini, Gina Runck, Andrea Schueler, Lori Stippel, Roger Stippel, Kim Thompson, and Andrea Vizenor

(note: Because of the large amount of deserving educators, please refrain from nominating the above previously recognized educators).
